AIRWORTHINESS ADVICE NOTICE GLIDER/POWERED SAILPLANE

GFA/AN 48

SZD 5

Issue 1

Date 25.11.1981

Sheet 1 of 1

TYPE AFFECTED:

SZD-48 "Jantar Standard 2"

SUBJECT:

Upgrading of SZD-48 to the SZD-48-1 version.

BACKGROUND:

The Manufacturers bulletin NR BS-03/78 details the steps required to change from the 48 to 48-1 version.

This involves:-

- (1) Elevator tab/spring modification.
- (2) Replacement of total pressure port
- (3) Remount KWEC-2 compensator
- (4) Re-plumb the static/pitot system
- (5) Change ASI colour markings
- (6) Change cockpit placards

IMPLEMENTATION:

This conversion must be certified by the holder of an 1109 endorsed for C. of A. F.R.P.

COMPLIANCE:

This conversion is optional.

CONVERSION DRAWINGS:

Bulletin BS-03/78 with drawings can be supplied by the GFA Secretariat to any owner/operator wishing to undertake this conversion.

MIKE BURNS.
