

**GFA AN 156**  
(ISSUE 1)

**AIRWORTHINESS ADVICE NOTICE**

**TYPE AFFECTED:** Discus 2A and 2B

**SUBJECT:** Optional installation of new wingtips with winglets.

**BACKGROUND:** It is possible to carry out an approved modification to install new wingtips with 2.5° dihedral and equipped with winglets.

**ACTION:** If this modification is desired, it must be carried out in accordance with Schempp-Hirth Technical Note No 360-15 (Serial Numbers 1 to 12) or Technical Note No 360-16 (Serial Numbers 13 to 97) by a person qualified in Approved Modifications.

Copies of the above Technical Notes may be obtained from the GFA Secretariat on request. Ensure serial number of glider is quoted at time of request.

**SIGNED:**
